***The Holy Father's Catechesis on the Holy Spirit***  
***(Part 6)***

*Dear Brothers and Sisters,*

In our continuing catechesis on the seven gifts of the Holy Spirit, we now turn to the gift of *piety*. Through this spiritual gift, we experience ever anew, with joy and gratitude, the loving relationship with God our Father which has been granted us in Jesus his Son. It is this loving relationship which grounds and perfects our authentic worship of God. The love poured into our hearts by the Holy Spirit leads us to perceive the Lord's presence and love in our lives, and moves us to respond joyfully in prayer and adoration. Piety is not mere outward religiosity; it is that genuine religious spirit which makes us turn to the Father as his children and to grow in our love for others, seeing them as our brothers and sisters, members of God's family. Let us ask that, through this gift of the Holy Spirit, we may always be ready to offer a helping hand to others, in the joyful awareness of that solidarity which is born of our communion with God in the unity of Christ's body, the Church.

***Franciscus PP.***

**SICK AT HOME OR IN HOSPITAL:** if anyone is seriously ill at home or is in hospital, it is most important that a priest be informed so that the sick person may receive the spiritual help of the sacraments. Relatives or friends should inform their parish priest and/or the Catholic chaplain of the hospital (*at King George Hospital, 8590 9026; at Queen's Hospital, 01708 447761; at Whipps Cross Hospital, 8520 5877*).  
 \*\*\*\*\*

**GOING INTO HOSPITAL?** May I draw your attention to the ***Sick Parishioner Care*** forms at the back of church. Please take one if you are going to hospital and wish the Catholic chaplain to look after you!  
***Fr Selvini***  
 \*\*\*\*\*

**MASS INTENTIONS/OFFERINGS:** special envelopes are available at the back of church. If you would like a Mass offered on a *particular anniversary*, please let the Parish Priest know well in advance – the sooner the better! Thank you for your co-operation.

***How  
 to receive  
 Holy Communion***

According to current practice Holy Communion may be received either on the tongue or in the hand. Each communicant is free to decide how to receive. The important point is to try to do so in a dignified and reverent manner.

***Please note that for practical reasons – mainly to avoid any risk of an accident – anyone carrying a small child or a baby will be given Holy Communion on the tongue.***

• ***Reception on the tongue***

After making your response “Amen”, present your tongue to the priest/minister who will place the Host upon it. Just opening your mouth is not sufficient as this makes it difficult for the priest/minister to place the Host reverently. The tongue needs to be easily accessible.

• ***Reception in the hand***

As you approach the altar, place one hand upon the other and extend them forwards so that the priest/minister sees clearly that you wish to receive in the hand, otherwise he will assume that you wish to receive on the tongue. The palm of the upper hand should be flat and fingers straight. When the priest/minister has placed the Host upon the palm of the hand, stand to one side to let the next person come forward and, ***before walking away, reverently consume the Host in front of the priest or minister.***

Since we believe that Our Lord is present in any particle of the Host, however small, care must be taken to ensure that no particles are lost and that any which remain in the palm of the hand are reverently consumed.
